Alliance Spacesystems's reputation for excellence has been built on our ability to meet and exceed the exacting standards of the most demanding customers in aerospace. Those customers include:

- Jet Propulsion Laboratory (JPL)
- Orbital Sciences Corporation (OSC)
- Northrop Grumman
- Boeing
- Naval Research Laboratory
- General Dynamics
- Ball Aerospace
- California Institute of Technology
- University of Southern California
- NASA Goddard Space Flight Center
- NASA Langley Research Center
- Hamilton Sundstrand
- Applied Physics Laboratory
- U.S. Air Force
- Lockheed Martin Space Systems
- Raytheon
- Malin Space Science Systems, Inc.
